Mit viel Spaß zeichnet und lebt Kristin Labuch in Münster, wo sie seit ihrem Grafik Design Studium an der Fachhochschule freiberuflich als Illustratorin für verschiedene Verlage arbeitet.

Im Kinderbuchbereich hat sie diverse Lernhilfen sowie verschiedenste Kreativ- und Basteltitel gestaltet.

Sehr gern arbeitet sie auch im Kreativbereich für Erwachsene, da ihre Zeichenleidenschaft besonders dem Erarbeiten dekorativer und detailreicher Ausmal motive gilt.

Wie von selbst geraten immer wieder Vögel in allen Variationen in ihre Bilder.
